# About US

Yükselen Marble is a leading Turkish producer and exporter of natural stone, backed by more than 35 years of industry experience. The company offers a wide selection of premium marble varieties—especially Muğla White, Milas Lilac, Milas Pearl, Milas Royal, Lagina Black, and Marsyas Beige—delivering slabs, tiles, and custom cut-to-size products for residential, commercial, and large-scale architectural projects worldwide.

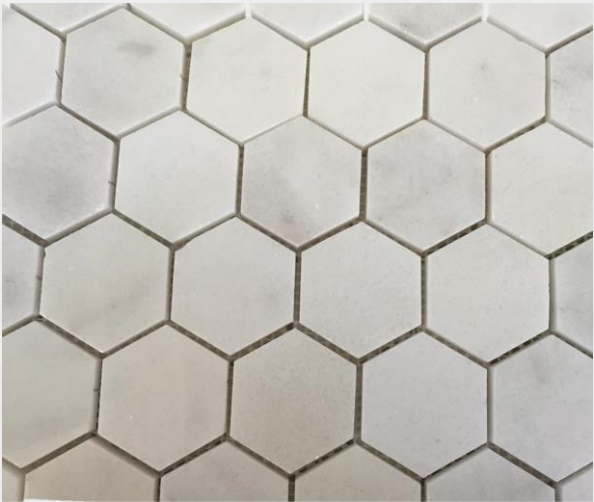

With modern production lines, a capacity of 120,000–150,000 m<sup>2</sup> per year, and strong expertise in finishing, bookmatching, and project-based fabrication, Yükselen Marble supplies high-quality materials to markets across Europe, the Middle East, Asia, and North America.

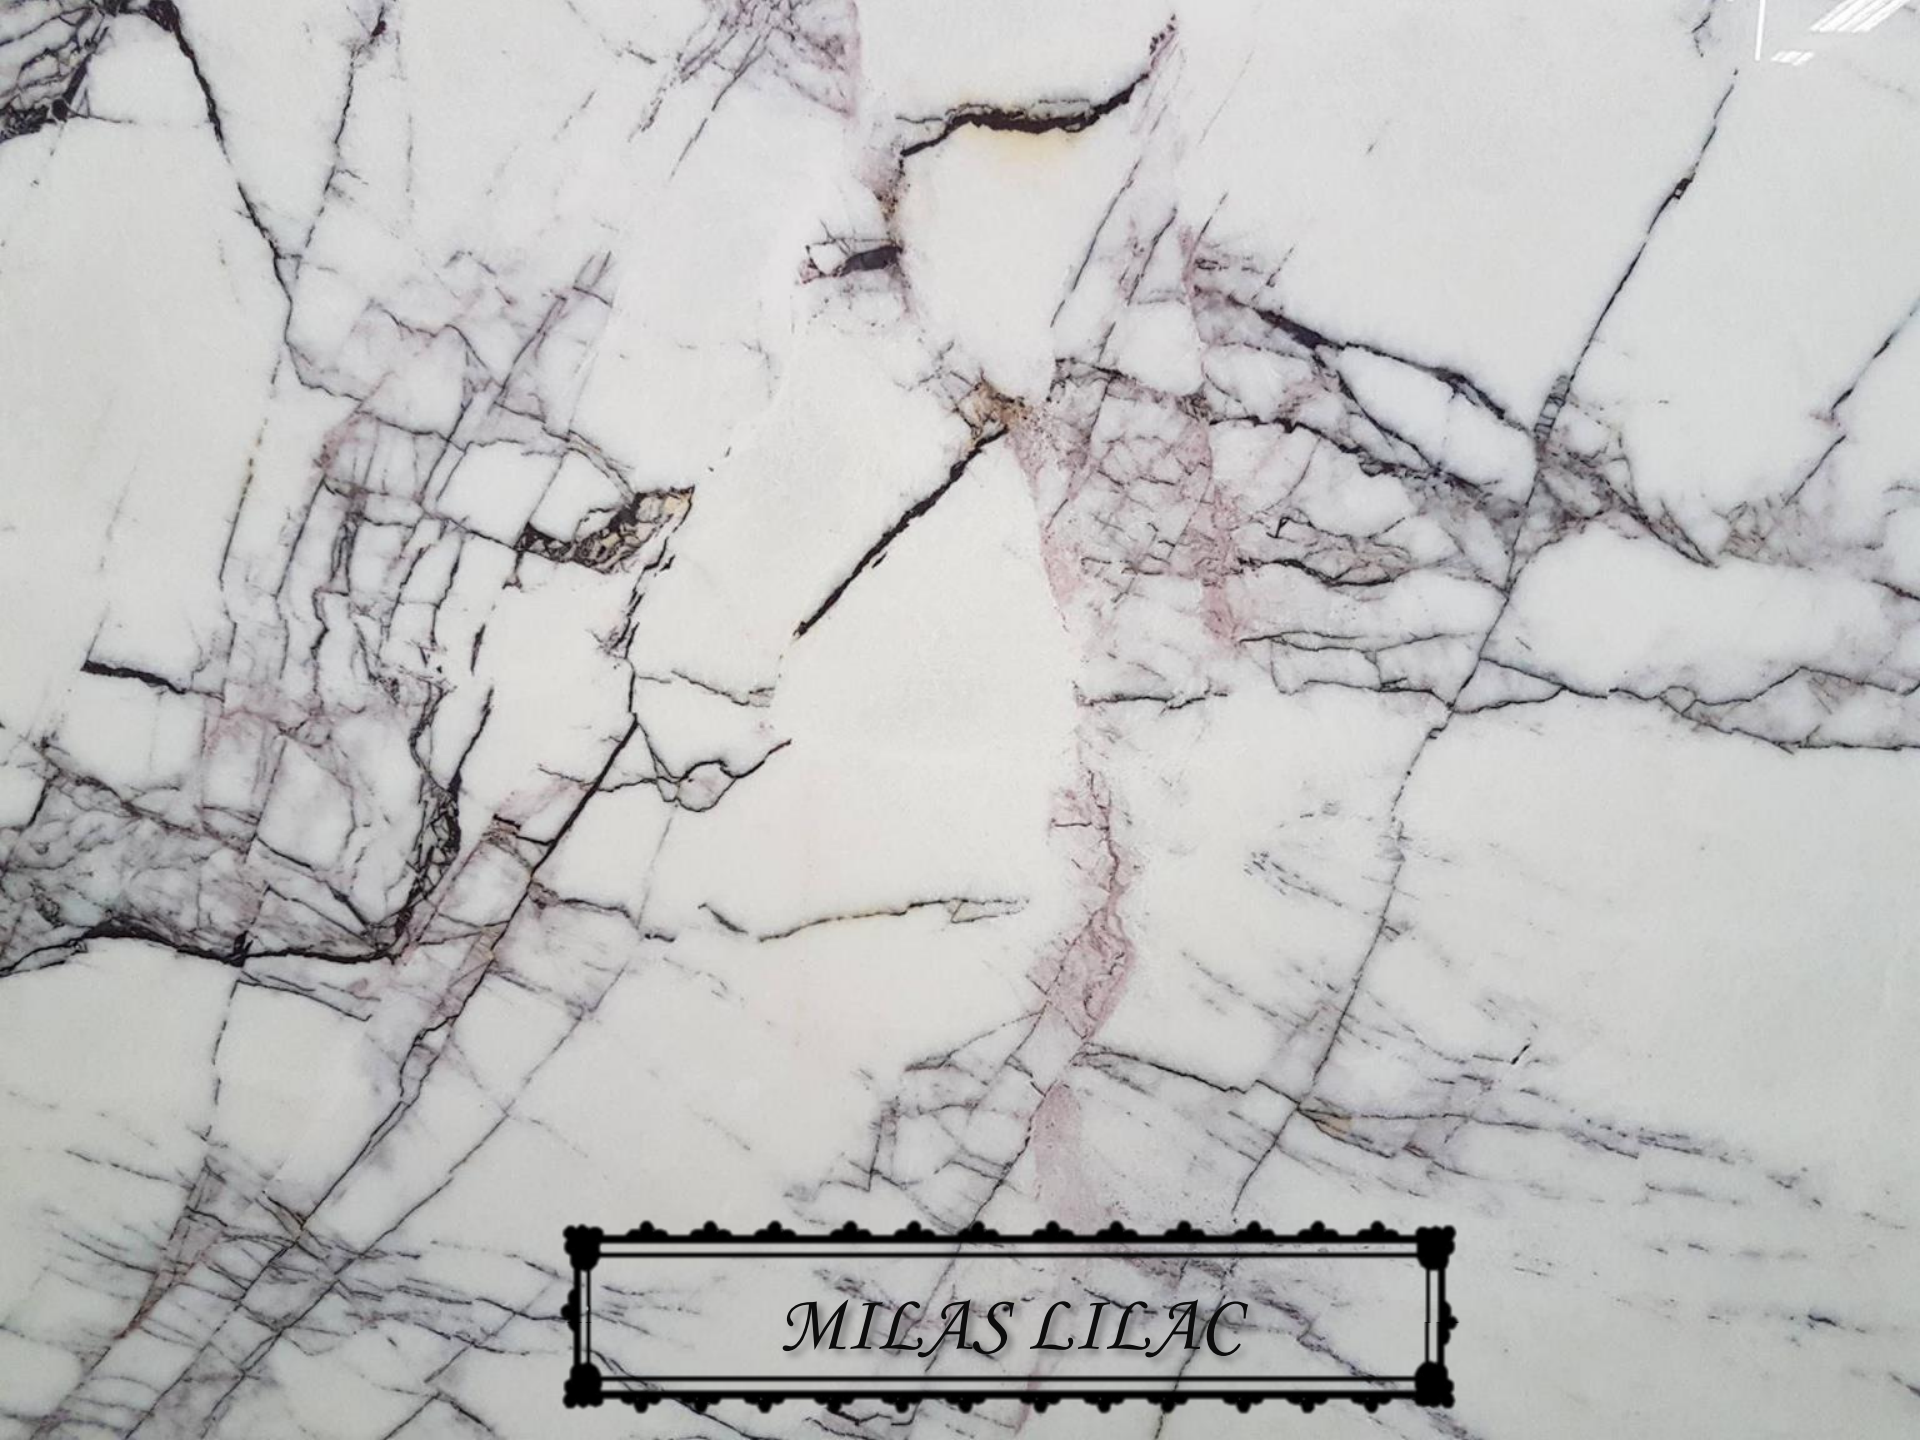

The company also provides aggregates and rock boulders through its quarry partners, ensuring reliable, large-volume supply for construction and infrastructure needs.

*LIGHT EMPERADOR*

The image features a background of marbled paper with a complex, organic pattern of veins in shades of grey, brown, and cream. A decorative black frame with a scalloped, ornate border is positioned at the bottom center. Inside this frame, the text 'GREY EMPRADOR' is written in a black, elegant, cursive script.

*GREY EMPRADOR*

The image shows a close-up of a dark brown marbled paper. The pattern consists of intricate, branching veins of white and light gold or tan, creating a complex, organic texture. The overall appearance is that of a high-quality, vintage-style decorative paper.

*DARK EMPERADOR*

*BLACK PEARL*

*CAPPUCCINO BEIGE*

The image shows a close-up of a medium travertine stone surface. The texture is characterized by a warm, light beige or tan color with subtle variations in tone and some darker, brownish spots. The surface has a slightly porous appearance with some small, irregular pits or indentations. The overall pattern is somewhat wavy and organic, typical of natural stone.
